City of Lloydminster Implements New Lane Configuration along 36 Street

Lloydminster, AB/SK – The City of Lloydminster will be implementing lane-configuration changes to improve traffic flow at two intersections on 36 Street:

- 36 Street and 52 Avenue: The one west-bound lane of the intersection will now consist of a through/right-turn lane and a dedicated left-turn lane.
- 36 Street and 57 Avenue: The two east-bound lanes will be changed to provide a dedicated left-turn lane, a dedicated through-lane, and a dedicated right-turn lane. The one west-bound lane of the intersection will change to provide a through/right-turn lane and a dedicated left-turn lane.

The City will be modifying the pavement markings and signage. Work is expected to be completed the week of June 20, 2016.

The new lane configuration will be part of the Engineering Services department's annual line-painting program.
