**Servus Credit Union Sponsors  
Free Public Skating at Lloydminster Ice Surfaces**

**Lloydminster, AB/SK** – Servus Credit Union has partnered with the City of Lloydminster to provide year-round free access to City ice surfaces through to 2019.

“Beginning as a pilot program in early 2016, the Servus Family Free Skate has proven a popular recreational attraction for our residents and regional visitors,” said Mayor Gerald Aalbers. “We express our shared and sincere gratitude to Servus Credit Union for their continued support of activity, health and wellness in the Lloydminster region.”

The 2017 Servus Family Free Skate season kicked off with a launch event at the Servus Sports Centre Leisure Ice on Monday, September 18. Servus Credit Union staff were on hand to greet visitors with free green mittens and hot chocolate.

“The free-skate program is a perfect fit with Servus Credit Union’s Community investment initiative, supporting our local communities. This initiative makes it easier for Albertans to enjoy some of the best attractions and activities our province has to offer,” said Craig Heaver, District Manager, Servus Credit Union. “It is our pleasure to support enhanced recreational opportunities for local youth and families in the communities we serve. We hope to see Lloydminster families taking advantage of this program over the next three years.”
