Advanced Metering Infrastructure Installation Continues

Lloydminster, AB/SK – The City of Lloydminster Water Services department continues to work in conjunction with Neptune Technology Group on the installation of the Advanced Metering Infrastructure (AMI) Water Meter Read System Upgrade Program.

Select areas of the city have received a trifold pamphlet in the mail, containing booking instructions; residents in these areas are reminded to phone 1-800-667-4387 to make an appointment as soon as possible.

Current Neptune work areas are highlighted in the map below, additionally barricade signs may be in placed in your area as a reminder for residents to book an appointment.

City staff are currently working along Highway 44 and the North Industrial Park on commercial property installation. No scheduled appointments are necessary at this time as City staff will drop in to complete the work.

Please note City and Neptune employees will have identification signs on their vehicles and ID on them at all times; if you have any concerns please contact water@lloydminster.ca or 780 8750 6184 ex 2125.
