PUBLIC NOTICE

November 22, 2017

Water Bill Revamped

Lloydminster, AB/SK - The City of Lloydminster is advising residents of aesthetic changes to the water bill. All charge types and rates will remain the same, with only the look and select verbiage changing. Any consumption in 2018 will see a scheduled rate increase as per Bylaw 26-2016.

In addition, due to the Advanced Metering Infrastructure project by Neptune Technology Group, households currently in select upgrade areas of the City that have not been in contact, will receive an estimated total for the billing period. Regular billing will resume during the next cycle following the installation.

Please direct all concerns to water@lloydminster.ca.
