Advanced Metering Infrastructure Installation Continues

Lloydminster, AB/SK – The City of Lloydminster Water Services department continues to work in conjunction with Neptune Technology Group on the installation of the Advanced Metering Infrastructure (AMI) Water Meter Read System Upgrade Program.

Select residents have received a trifold pamphlet in the mail, containing booking instructions; residents who have been notified and have not yet scheduled an appointment are reminded to phone 1-800-667-4387 to make an appointment as soon as possible.

Residents are reminded that even those who have received a meter change in the last 18 months are still required to complete the AMI Installation. Some residents may have received a second notice in the form of a door hanger, these residents are required to phone 1-800-667-4387 immediately.

Please note City and Neptune employees will have identification signs on their vehicles and ID on them at all times; if you have any concerns please contact water@lloydminster.ca or 780 8750 6184 ex 2125.
