## PRIVATE SKATING LESSONS

Whether you're a beginner or looking to improve your skating skills; private skating lessons are available year-round at the Servus Sports Centre. These personalized lessons take place on the Leisure Ice. Lessons are 30-minutes or 60-minutes in length. Our qualified skating instructors will work within your activity schedule. A CSA approved hockey helmet and skates are required on the ice. COVID-19 guidelines are in place and are subject to revision.

Sign-up today and experience the dynamic sport of ice skating!

Please contact 780 875 4529 Ext. 1005 or email [recreation@lloydminster.ca](mailto:recreation@lloydminster.ca)

Number of Skaters	30 Minute Session
1 Skater	\$20
2 Skaters together	\$30

\*These prices are effective July 1<sup>st</sup>.

# Private Skating Lessons

## Saskatchewan Health Authority Regulations:

1. Effective Friday, November 27, 2020 all patrons and registrants are required to wear a non-medical mask on and off the ice.
2. Participants are asked not to attend any private skating lessons if they are sick or symptomatic.

## Cancellation Policy:

1. If the Participant is unable to attend the scheduled lesson, a minimum of 24-hours notice must be provided to your instructor and written notice to [recreation@lloydminster.ca](mailto:recreation@lloydminster.ca).
2. If a participant fails to provide 24-hours notice, they will be charged the missed lesson through your punch pass. Participants will receive an email regarding the loss of one of their lessons.
3. If a participant fails to provide adequate cancellation notice for a second lesson, the participant will be moved to the bottom of the waitlist and contacted once a spot becomes available.
4. All punch passes expire two (2) years from the date of purchase.
5. Medical Exception:
  - a. Participants can cancel with less than 24-hours notice if they are sick or symptomatic. Participants will be required to contact the Saskatchewan Health Authority and follow their quarantine guidelines. Once the participant has been cleared by Saskatchewan Health, an additional lesson may be booked with the instructor.
  - b. Participants can cancel with less than 24-hours if they become injured in that time period. A doctor's note is required before the lessons can be safely continued. Your timeslot will be temporarily reassigned to the next client on the Waitlist.

## Before you arrive for your lesson:

1. Each person must be pre-booked in advance for their scheduled appointment on the Leisure Ice. Please let the instructor know the names of those attending each appointment and check-in at the Main Desk upon arrival. In the event of a COVID-19 outbreak, these records are used for contact tracing. Arrive no earlier than 10-minutes before your scheduled booking and leave immediately afterwards.
2. Check the fit and comfort of your skates. A thin sock which comes up higher than the top of the skate is recommended. Pants or thick socks should not be tucked into your skates.
3. Adjustable skates with ratchet ankle straps are fine for recreational skating but are not recommended to wear for lessons. Sturdy and supportive lace up figure skates or hockey skates are recommended.
4. Skate blades should be sharpened before your scheduled lessons begin and re-sharpened after 10-12 uses. Newly purchased skates must be sharpened before using. Skate blades should be wiped clean and dried with a cloth after skating.
5. A CSA approved skating or hockey helmet is required to be worn. Skaters will not be permitted on the ice during a lesson without a proper helmet. The helmet chin strap must be tightened to ensure the strap will not come over the skater's chin when fastened. Bicycle helmets are not acceptable as they're not designed to protect skaters from a fall on ice.
6. For comfort, warm but not bulky clothing should be worn. Ski pants often restrict the skater's ability to completely bend their knees. Fleece leggings or sweatpants with splash pants are a great alternative to ski pants. Waterproof gloves or mittens are recommended as beginner skaters do spend some time down on the ice.
