

Policy Title:	Automated Photo Enforcement Revenue Policy		Policy Number:	019-2017	
Date of Council Approval:	June 12, 2017	Motion No.:	183-2017	Year of Review:	2020
Department Sponsored by:	Community Services				

Purpose:

To provide focused direction for revenues collected from Automated Traffic Enforcement Activities.

Objective:

The City of Lloydminster recognizes the safe and secure movement of traffic and that enforcement of those activities is the City’s responsibility. It also recognizes that the employment of Automated Traffic Enforcement is a tool to assist in ensuring that road users obey provincial laws. In order to enhance the effectiveness of Automated Traffic Enforcement a portion of the revenues will be directed towards community safety initiatives.

Scope:

This policy applies to 50% of all net revenue collected through the employment of Automated Photo Enforcement technology.

Policy:

50% of all net revenue will be targeted to safety initiatives in the community. A safety initiative may be but is not limited to:

Traffic Safety Improvements:

- Speed notification signs,
- Traffic calming, and
- Crosswalk improvements.

Educational/Safety Initiatives:

- School based education programs
- Vision Zero programing

Parks and Recreation

- Improvement of parks equipment
- Community recreational facilities

Procedure:

Annually 50% of Automated Photo Enforcement revenue will be placed into a reserve fund.

- Projects wishing to access these funds must meet the prerequisites of this Policy.
- Provide a project overview which details the level of support that is being requested, the project timelines and what direct or indirect benefits the project would provide to the community.

After receiving qualifying requests Council would determine what projects will receive funding and the amount of funds to be distributed.

Policy and Procedure Availability:

City policies will be available to the public on the City of Lloydminster webpage so that they are available to the public. City policies and supporting procedures will be posted on the internal intranet for access by all city staff.

Responsibility:

City Council will review and approve all policies

City Administration will administer the policy through the use of a supporting procedure

Sponsoring Department is responsible for creating and amending a supporting procedure
