
2017-2021 Strategic Plan Update

Current review June 2020

Most recent review completed April 2019

Previous review completed July 2018

Introduction

Lloydminster City Council adopted a series of goals and strategies in creating an updated Strategic Plan for 2017-2021; this plan provides citizens, businesses, Administration and other stakeholders with a high-level overview of Council's vision for the future of Lloydminster.

City Council's governance role includes the mandate to provide strategic direction; this plan embodies that direction by building on the 2015-2017 Strategic Plan, while supporting Administration in operational planning.

Your Lloydminster City Council is committed to providing a solid foundation of direction and policy for future councils that will continue to build a sustainable community, which reflects the values and beliefs expressed by the citizens of Lloydminster.

Instruction

The table below outlines the strategic areas of the Strategic Plan for 2017-2021 including updates that were provided by each Team and reviewed with Council in July of 2018 and in April of 2019.

Please review the strategic areas outlined below, considering any work your team has done since the last review in April 2019, advance or complete these priorities.

Some of your actions/activities may fit under more than one strategic area; you may duplicate your response where appropriate.
