3. Objectives:

3.1. Capital Preservation:

The City recognizes its fiduciary responsibility for the safekeeping of public funds with which it has been entrusted. Safeguarding of principal is a primary objective of this policy. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To assist in achieving this objective the City will ensure that sufficient diversification exists within its investment portfolio.

- 3.1.1. 100% Guaranteed or backed by the financial institution submitting the investment tool versus a third party.
- 3.1.2. Maximum term for investments will be five (5) years.

3.2. Liquidity:

The City's investment portfolio will be sufficiently liquid to enable the City to meet its operating cash flow requirements which might be reasonably anticipated in the short and long term. For the purposes of this Policy, the City defines Liquidity as the ability to convert an investment into cash without loss of principal and/or earning a reasonable rate of return.

3.3. Return of Investment:

The City's investment portfolio will be effectively managed to ensure that an optimum rate of return is realized on all investments within the parameters of the objectives established within this Policy.

3.4. Compliance with the *Lloydminster Charter*:

The City will ensure that all investments purchased and owned by City of Lloydminster are in accordance with the *Lloydminster Charter*.

3.5. Risk:

At any given time, the total investments at any one financial institution cannot accumulate to over sixty percent (60%) of the reserve balance stated in the prior year's audited financial statements.

4. Scope:

4.1. This Policy applies to:

4.1.1. All Members of Administration and Council; and

4.1.2. To all funds under management by the City and encompasses:

- i. The City of Lloydminster General Fund:
Those monies received by the City of Lloydminster from various sources and not immediately required for the payment of operating and/or capital expenditures.
- ii. The City of Lloydminster Reserve Funds:
Various monies held for future operating and capital expenditures.
- iii. Capital Deposits:
Monies received for various capital projects from land developers (pursuant to development agreements or the *Lloydminster Charter*), and from other governments through grants and/or revenue sharing agreements.
- iv. Trust Funds:
Those monies held under legal agreement, joint use with a third party and The City of Lloydminster, and/or managed by specific request of a third party connected to the City.

5. Guiding Principles:

5.1. Authority/Responsibility to Implement

5.1.1. The City Manager is responsible for administrative compliance and monitoring of this Policy.

5.1.2. The City Manager may delegate responsibility to the Chief Financial Officer to establish and administer compliance with this Policy. Furthermore, the Chief Financial Officer shall:

- i. Establish appropriate guidelines, procedures, and internal controls to achieve the objectives identified within this Policy;
- ii. Oversee overall implementation strategy process and ensures annual reviews of the Investment Policy;

- iii. Ensure that non-negotiable cash and short-term investment certificates and records are maintained in the appropriate location at the City of Lloydminster; and
- iv. Report to Council on the investment activities undertaken by the City on a quarterly basis.

5.2. Authorized Investments

- 5.2.1. The schedule of approved investments identifies the Securities that the Chief Financial Officer can purchase on behalf of and in the name of the City.
- 5.2.2. The City will request a call for investment rates for each investment opportunity. The call will include Financial Institutions that are physically located in the City. Effectively, this measure will create a competition for our local financial institutions to support their presence in our community. In the event that they have a centralized bidder or affiliate for that institution, the City will work with that bidder or affiliate but will maintain only one bidder or affiliate per institution.
- 5.2.3. As a member of municipal associations, the City may be offered investment tools that will be considered; therefore, maybe exempt from the local presence requirement as long as the rate is competitive with the call for investments.

5.3. Credit Quality

- 5.3.1. Long-Term Investments and Short-Term Investments in the portfolio will ensure preservation of capital and adhere to the credit quality restrictions in the Schedule of Approved Investments in Appendix B.
- 5.3.2. If a rating falls below A- or R-1 (low) after time of purchase, it shall be removed from the portfolio as soon as practical.
- 5.3.3. Securities must have a minimum rating of A- or R-1 (low) from the date of issue.

5.4. Ratings

- 5.4.1. All ratings in this Policy refer to the ratings of the DBRS or S&P.

5.5. Safekeeping and Custody

- 5.5.1. The Chief Financial Officer shall ensure that:
 - i. All securities shall be held in the name of City;
 - ii. All securities shall be held for safekeeping by the financial institution where the investment accounts are maintained; and

- iii. The financial institution shall issue a receipt to City listing the specific investment, interest rate, maturity, and other pertinent information. Quarterly or at minimum annual basis, the financial institutions will provide reports which list all securities held for the City.

5.6. Conflict of Interest/Ethics

5.6.1. The Chief Financial Officer and all members of Administration involved in the investment process shall:

- i. Avoid a Conflict of Interest, whether real or perceived; Administration shall report any conflict of interest to their direct supervisor.
- ii. Refrain from personal business activity that could conflict with the proper execution of their responsibilities, or which could impair the ability to make impartial decisions for the City. Employees shall provide written disclosure to their direct supervisor regarding any material interests in financial institutions with which the City invests, and as a result of this relationship, they cannot use information gained in the bidding for the City for actual or perceived personal gain.

6. Penalty:

- 6.1. Any staff member found to be in violation of this policy may be subjected to a disciplinary action. Such action may be dependent upon the nature of the breach of this policy; discipline may range from a verbal warning to dismissal with cause.
- 6.2. Any Member of Council found to be in violation of this policy may be dealt with utilizing the "*Code of Conduct Bylaw*" or provisions of "*The Lloydminster Charter.*"

7. Responsibility:

- 7.1. City Council shall review and approve all policies.
- 7.2. Sponsoring Department is responsible for creating and amending a supporting procedure.
- 7.3. City Administration may administer the policy through the use of a supporting procedure.

Debt Rating Comparison Chart**

DEBT RATING COMPARISON CHART			
	Credit Quality	Credit Rating S&P	Credit Rating DBRS
Acceptable	Extremely Strong	AAA	R-1 (High)
	Very Strong	AA-, AA, AA+	R-1 (Mid)
	Strong	A-, A, A+	R-1 (Low)
Unacceptable	Adequate*	BBB-, BBB, BBB+	R-2 (High)
			R-2 (Mid & Low)
	Speculative	BB, BB+	
	Highly Speculative	B CCC CC	

DBRS RATING DEFINITION

The DBRS rating scale rates the creditworthiness of borrowers and issuers by rating their debt and other securities. The scale runs from R-1 to D. The R-1 and R-2 rating categories are further denoted by the subcategories “(high)”, “(middle)”, and “(low)”.

R-1 (high) Highest credit quality. The capacity for the payment of financial obligations as they fall due is exceptionally high. Unlikely to be adversely affected by future events.

R-1 (middle) Superior credit quality. The capacity for the payment of financial obligations as they fall due is very high. Differs from R-1 (high) by a relatively modest degree. Unlikely to be significantly vulnerable to future events.

R-1 (low) Good credit quality. The capacity for the payment of financial obligations as they fall due is substantial. Overall strength is not as favorable as higher rating categories. May be vulnerable to future events, but qualifying negative factors are considered manageable.

R-2 (high) Upper end of adequate credit quality. The capacity for the payment of financial obligations as they fall due is acceptable. May be vulnerable to future events.

R-2 (middle) Adequate credit quality. The capacity for the payment of financial obligations as they fall due is acceptable. May be vulnerable to future events or may be exposed to other factors that could reduce credit quality.

R-2 (low) Lower end of adequate credit quality. The capacity for the payment of financial obligations as they fall due is acceptable. May be vulnerable to future events. A number of challenges are present that could affect the issuer’s ability to meet such obligations.

S&P RATING DEFINITION

The S&P rating scale rates the creditworthiness of borrowers and issuers by rating their debt and other securities. The scale runs from AAA to D and intermediate ratings of (+) or (-) are offered at each level between AA and CCC (for example, BBB-, BBB and BBB+). S&P may also offer guidance (referred to as a credit watch) on whether it is likely to be upgraded (positive), downgraded (negative) or uncertain (neutral).

- Investment Grade:
 - AAA (extremely strong capacity to meet financial commitments);
 - AA-, AA, AA+ (very strong capacity to meet financial commitments);
 - A-, A, A+ (strong capacity to meet financial commitments but somewhat susceptible to adverse economic conditions and changes in circumstances);
 - BBB-, BBB, BBB+ (adequate capacity to meet financial commitments but more subject to adverse economic conditions).
- Non-Investment Grade:
 - BB, BB+ (less vulnerable in the near-term but faces major ongoing uncertainties to adverse business, financial and economic conditions);
 - B (more vulnerable to adverse business, financial and economic conditions but currently has the capacity to meet financial commitments);
 - CCC (currently vulnerable and dependent of favorable business, financial and economic conditions to meet financial commitments);
 - CC (highly vulnerable; default has not yet occurred, but is expected to be a virtual certainty);
 - C (currently highly vulnerable to non-payment, and ultimate recovery is expected to be lower than that of higher rated obligations);
