

2018 STREET IMPROVEMENT PROGRAM

The Season for street improvement and annual maintenance is here! There are numerous project locations, these projects includes new sidewalks and repairs to existing sidewalks, curb and gutter repairs, new walking paths and upgrades to existing walking paths, intersection rehabilitations, roadway patching, and the addition of turning lanes. Seasonal work for the 2018 SIP is expected to conclude at the end of September 2018. Safety is top priority, please obey all signage, speed limits and barricades.
