

Public Art Committee Meeting Minutes
Tuesday, December 10th at 4:30PM
Location: Lloydminster Museum + Archives,
Dr. Duncan Reading Room

Attendees:

Otis Rusling, Chair
Gwen Mottram, Co-Chair
Colleen Hoegl, Committee member
Natalie Clysdale, Manager, Lloydminster Museum + Archives
Joel Turcotte, Director, Community Development Services

Guests:

Brandi Hofer
Amy Roper

1) Call to Order:

Chair, Otis Rusling called the meeting to order at 4:30pm.

2) Previous Meeting Minutes:

Were not approved or read during the meeting.

3) Financials:

Balance: \$73,947.00

4) Old Business:

4.1. Lloyd Mural Festival 2025

Brandi Hofer and Amy Roper presented their proposal for Lloyd Mural Fest and requested financial, volunteer recruitment and organization, and administrative support. Financials are yet to be finalized, however the first year would be centered on parking barriers as a pilot event. The following year would expand with murals at the Harty Developments Skate Park. A finalized budget was requested from the PAAC at the next meeting.

4.2. BAC Artwork:

Issue EOI by the end of January, keep open for 30 days, meet in March to review concept proposals and select artists/sculpture. Install in August/September during BAC shutdown

4.3. Public Art Policy Review:

PAAC requires guidance on maintenance requirement within the policy; the Public Art Reserve does not have the budget to be responsible for maintenance. Making facility operators responsible for maintenance would lead to potential resistance to having art in their facility.

Discussion surrounding the removal of logos within the policy as the PAAC cannot fund anything with corporate branding. Colleen suggested that while artwork can depict a logo, it should not consist of the artwork itself.

4.4. Council Appointments

Councillor Taylor was appointed the Public Art Advisory Committee at the November 15th GPC Meeting.

5. New Business:

5.1. Cenovus Energy Hub Art Installation

Motion to approve the City's application for \$30,000 to the Saskatchewan Summer Games Legacy Grant for artwork at the Cenovus Energy Hub.

CARRIED

Next Meeting: Tuesday, February 11th at 4:30PM

Adjourned: 6:00PM
