

SNOW & ICE OPERATIONS

WHAT YOU NEED TO KNOW

about municipal services and bylaws so you can be prepared for the winter season

PRIORITY 1

Roads are completed day or night and will be **completed within two days after a major snowfall (>5cm)**

PRIORITY 2

Roads will be completed as soon as possible **after the completion of Priority 1**

PRIORITY 3

Will be **completed as required**

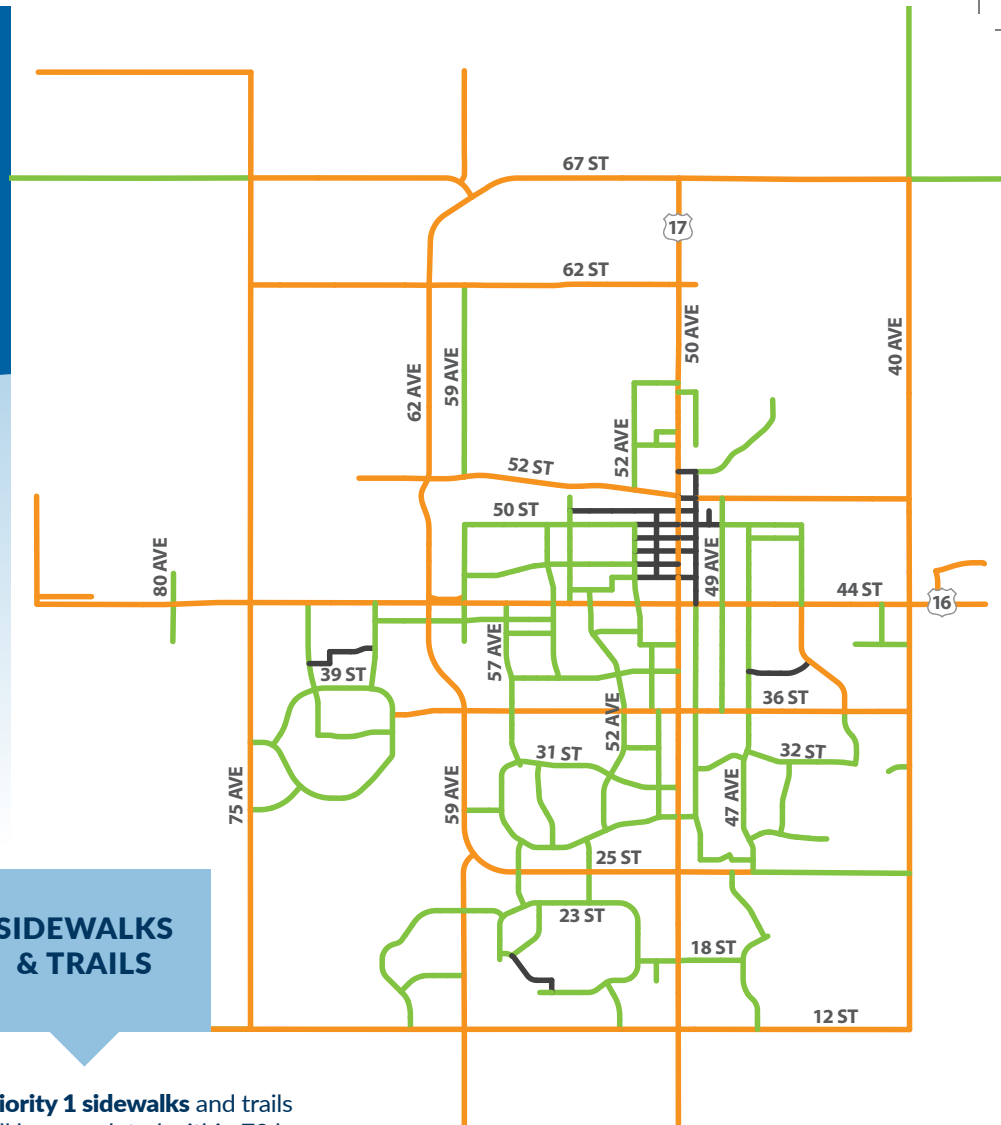

RESIDENTIAL SNOW REMOVAL

Completed as **approved by City Administration**

SIDEWALKS & TRAILS

Priority 1 sidewalks and trails will be completed within 72 hours of snowfall, typically >5cm

Priority 2 sidewalks and trails will be completed as soon as possible after Priority 1 is complete.

Important snow removal points from the Community Standards Bylaw (63-2013) include:

The owner or occupant of any property situated along municipal streets shall be responsible for removal of snow, ice, dirt, debris or other material from the sidewalk within 72 hours.

The owner or occupant of any property shall not place snow, ice, dirt, debris or other material onto the street, public place or private property other than their own, within the City (with the exception of downtown residents and businesses).

Residents are reminded that **parking on marked routes during snow removal is prohibited**

We would also like to remind residents to **slow down** while driving and to keep a **safe distance** from snow removal equipment
