No tournament date is considered booked until a signed tournament contract and deposit is made at least 10 days prior to the event date. Deposits are non-refundable and non transferable. For any reason that the event date is canceled due to weather or other factors the LGCC at its full discretion may produce golf passes for the players paid for in advance.

Full payment for services provided is expected on the event date.

Finalized number of golfers must be confirmed 10 days prior to the event. All charges for services will be based on these finalized numbers plus additions. (No reductions)

An 18-hole tournament round at LGCC takes 5.5 hours. This time takes into consideration the delays with 144 players and in a social setting. All tournament players are expected to maintain a pace of play that does not adversely affect other golfers or take longer than the allotted time. A prorated fee will apply to any tournaments going over the pace of play limits.

The Lloydminster Golf & Curling Centre is responsible for staging carts according to the draw produced no later than 72 hours prior to the event start time. The LGCC will also bring out proximity markers and other agreed to signage.

All other happenings on course are the responsibility of the tournament contractor. Any and all happenings on course must have full approval in writing by LGCC and must be carried out fully by the tournament contractor.

Hospitality stations will be set up as agreed upon by the sponsor/organizer/F&B Contractor.

As the tournament organizer, you are responsible for ALL activities of any event sponsors. (i.e. On course hospitality stations operated by groups or a business will be monitored for liquor vending and food handling compliance.)
