### I HEREBY:

- Acknowledge that I have read this application and state that the above is correct
- Agree to abide by and observe all City Bylaws and/or requirements and all Provincial regulations applicable to the demolition and or moving of the above buildings.
- Agree to become responsible for and pay for damages done to any public and/or private property as a result of the demolition or moving of the above building(s).
- Agree to leave the above site(s) in safe condition with no open excavation, basements, cisterns, wells or other conditions that may pose a danger to the public.
- Agree that should I fail to make the site(s) conditions safe, before, during or after the demolition or moving of the above building(s), the City of Lloydminster is hereby authorized to take the necessary steps to make the site(s) safe and charge the costs of such work to me.
- State that the land from which the building(s) are being demolished/moved are clear of all taxes and/or liens.
- Agree to abandon the existing water, sewer and storm service from the main pipes located in the road allowance to the property line. At the discretion of the General Manager of Engineering Services – these services may not have to be abandoned and replaced if evidence is presented showing the condition meets engineering's minimum standards. (Minimum requirement – PVC sewer pipe and in good condition)
- Authorize the City of Lloydminster to turn off the water, remove the water metre at the property line and agree to pay all costs applicable to this work.**
- Acknowledge that it is the owners responsibility to ensure that all utilities have been properly disconnected and/or removed.**
