After Council is done asking questions the Mayor will thank you for your presentation. You may take your seat and stay for the remainder of the Council Meeting or quietly leave Council Chambers.

COUNCIL ACTIONS AFTER PRESENTATION

COUNCIL MEETING

If Council feels they have enough information to make a decision regarding the matter they will vote on a resolution. Your presentation may also be related to an Administrative Agenda Item in which case Council may wait until after the Administrative Item to make a decision.

Council may direct Administration to bring back additional information and a recommendation in a report to a future meeting. If this happens, Administration may be in contact with you to obtain further information.

GOVERNANCE AND PRIORITIES COMMITTEE MEETING

GPC Meetings are purely for information gathering and the Committee will not make a decision. The Committee may recommend the item go to the next Council Meeting for decision or may direct Administration to bring back further information.
